## SUMMARY

Brings structure, clarity, and follow-through to fast-moving teams with a lot of moving parts. Experienced across project management, program management, and business operations, with a consistent focus on cross-functional coordination, stakeholder management, and helping people work better together. Turns ambiguity into something people can work with by building practical processes, SOPs, and clear frameworks that support strong execution. Takes a business-minded approach to AI, exploring useful applications, improving workflow efficiency, and sharing learnings that support thoughtful team adoption.

## CORE SKILLS

Business Operations | Project Delivery | Process & Workflow Design | Cross-Functional Coordination | Stakeholder Management | Team Alignment | AI Workflow Applications/Implementation.

## PROFESSIONAL EXPERIENCE

### CONTEXTUALLY INC. | Remote

**Head of Business Operations** (01/2024 to Present)

*Recruited as employee #1 to build the entire operational foundation for a newly launched insights firm focused on B2B tech, with no existing systems in place.*

**Clients:** Dell, Microsoft, Apple, AMD, LinkedIn

- **Built the company's full financial and operational infrastructure from scratch**, including AR/AP systems, project costing and profitability tracking, SOW and vendor payment trackers, project file structures, SOPs, and scalable workflows in QBO and Microsoft Teams.
- **Leads end-to-end project operations** across 3 to 5 concurrent qualitative research engagements, managing timelines, budgets, deliverables, and dependencies while keeping co-founders, clients, and vendors aligned throughout.
- **Onboarded** and continues to manage relationships with 28 vendors and 10 subcontractors, coordinating up to 7 vendors per project across research partners and subcontractors.
- **Drove Women's Business Enterprise National Council (WBENC) certification** to completion by mapping requirements, establishing ownership, and managing documentation, submission and timelines. Currently supporting 2<sup>nd</sup> re-certification. Brought the same approach and rigor to **Microsoft Supplier Security & Privacy Assurance (SSPA) certification** (about to begin 3<sup>rd</sup> re-certification) and **Dell Security and Resiliency Office Security Assessment**.
- **Identifies and implements AI workflow applications** to improve efficiency, communication, and day-to-day execution across the team, while maintaining practical guardrails for responsible team adoption.

### MATERIAL US INC. (Formerly Greenberg) | Remote

**Associate Director of Operations** (05/2022 to 06/2023)

**Team Coordinator** (09/2021 to 04/2022)

*Recruited by former Greenberg leaders to support the B2B Tech business unit during a complex post-acquisition transition as Greenberg became part of Material Plus. Role was eliminated following company-wide restructure.*

- **Identified lack of structure in weekly leadership meetings** and designed a standardized agenda and reporting framework that covered pipeline, live project risks, and resourcing, leading to clearer discussions, more actionable decisions, and more consistent follow-through.
- **Identified a critical onboarding and orientation gap** during the post-acquisition transition and built a comprehensive team handbook from scratch, covering company structure, leadership, team specialties, and best practices for collaborating with other BUs and teams. Collaborated with HR and cross-functional contributors to develop and maintain the handbook as a living document adopted by all team members.
- **Supported successful Workday rollout** for the B2B Tech business unit by mapping existing time and project tracking workflows, identifying gaps in the "one-size-fits-all" implementation approach, and helping shape an adoption process that better fit the team's actual needs, improving usability and supporting smoother adoption across the team.
- **Built and led a team training and enablement program** for the B2B Tech business unit, including curriculum design, training calendar development, and delivery across the team, strengthening consistency, knowledge-sharing, and team preparedness.

**CAREER PAUSE Family Leave** (04/2019 – 08/2021) Planned family leave following the birth of my child, extended due to the Covid-19 pandemic.

**GREENBERG INC.** | Emeryville, CA

**Team Manager, Client Program Manager** (02/2017 to 03/2019)

**Sr. Client Program Manager** (01/2016 to 01/2017)

*Re-hired as a senior team member to continue providing excellent client service and help mentor and inspire team members. As Team Manager, led a team of 3 direct and 1 indirect report with a focus on team development, process improvement, quality assurance, and cross-functional collaboration.*

- **Worked closely** with the Head of Strategy on resourcing and with Sales on project setup and budget alignment, improving collaboration across teams and helping work move forward more smoothly.
- **Developed, managed, and maintained workflow processes and written playbooks** for qualitative research projects, creating clearer guidance and supporting more consistent project delivery.

**HERO MARKETING** | San Francisco, CA

**Sr. Client Strategy Manager** (07/2015 to 01/2016)

**Clients:** Kaiser Permanente, Delta Dental, PLS Financial Services

*Oversaw day-to-day client programs, bringing structure and project management to ensure smooth execution, organized delivery, and on-time results. Supervised one direct report.*

- **Reduced client attrition for a Financial Services client** by auditing deliverables, managing expectations, creating clearer timelines, and providing steady client support.

**GREENBERG INC.** | Emeryville, CA

**Client Program Manager** (02/2015 to 04/2015)

**Project Manager** (09/2013 to 01/2015)

**Clients:** Google, Microsoft, Visa, Wells Fargo, Sony PlayStation, CNBC, Ticketmaster

*Managed 5-7 concurrent global qualitative and quantitative market research projects for Fortune 100 and 500 clients in a fast-paced environment with budgets from \$50K to \$800K.*

- **Built project budgets that balanced competitive pricing** with gross-profit margin targets, negotiating vendor costs where needed to protect profitability.
- **Delivered a high volume of projects on time and on or under budget** through strong cross-functional coordination, resource planning, and day-to-day project management.

**A2Z MEDIA GROUP** | Newark, CA

**Account Manager** (10/2010 - 04/2013)

**Clients:** AAA Northern California, Nevada & Utah, River Rock Casino, Chavez Supermarket, Golden Gate Fields.

*Recruited by A2Z Media Group co-founders, former colleagues from previous role, to build operational processes for their newly launched ad agency.*

- **Built foundational systems from scratch**, including client billing, retainer tracking, and vendor payment systems across **20 to 30 media partners** and contractors. **Contributed to 133% client growth** and helped retain 3 new clients over a two-year period. Played key role in the planning and execution of large-scale client events ranging from **1,000 to 15,000** attendees.

## EARLY CAREER:

- **TURNSTILE** (formerly TLG Multicultural Communications) Corte Madera, CA | **Account Coordinator**, (3/10 - 9/10)
- **ROSHAN** (Telecom Development Company Afghanistan, Ltd) | Kabul, Afghanistan | **Sr. Marketing Communications Specialist** (2/08 - 5/09). Stepped up to lead a \$700K youth segment campaign launch in the director's absence, working directly with the CMO. Managed agency partners including Grey Group and JWT, and aligned sales, legal, finance, and customer care for compliant rollout. Delivered a 40% increase in monthly acquisition and a record 230,000 activations.

**EDUCATION:** BA, Marketing, Universidad Tecnológica de México, Mexico City

**TOOLS & TECHNOLOGY:** Microsoft Office; Google Workspace; QuickBooks Online; Workday; NetSuite; Asana; Slack.

**AI STACK:** Microsoft Copilot, Claude, Claude Code, Chat GPT, Chat GPT Codex, Lovable

**LANGUAGE:** Bilingual (English and Spanish) | **CERTIFICATIONS:** [5 AI-Related Certifications](#)
